A RELIABLE NEWSPAPER.

FROM THE

New Orleans True Delta.

There seems to be no excuse for thin or gray hair, nor that the exterior of Heimstreet's Inimitable Hair Restorative can be had?"

FROM THE

Cleveland Plaindealer.

When people can protect their hair from the sun, they can luxuriate in glossy black locks an advanced period of their lives; when white and gray hair can be made to grow upon bald heads, what will this be done? It cannot be done to harm to the exterior of Heimstreet's Hair Restorative, the best hair restorative beyond peradventure, the best thing of the kind that I have ever seen. The fact in our possession, in regard to its wonderful preparation, warrant us in a decidedly recommending!"

FROM THE

St. Louis Republican.

Many of our first citizens of Louis are speaking in glowing terms of this article."

FROM THE

Cairo City Gazette.

This incomparable excellent preparation for the restoration of Gray Hair to its original color, to preserve hair from falling out, and to cure baldness, is one sale at Humphrey & Brown's in this city. The evidence that this Restorative is no humbug is conclusive. Testimonials to that effect may be found in almost every paper in the country."

FROM THE

A CANADIAN REMEDY

For Costiveness, Irregularity and Disease of the Digestive Organs, Inducing Headache, Asthma, Nervousness, General Prostration of the Mind and Body, Paralysis, &c.

A moment's reflection will convince a sensible man of the folly and danger of constantly dosing with catarrhal Medicines. The practice is pernicious and suicidal. An experience of forty years has taught me that the common and prevalent evils of Indian Country are fearfully aggravated by the too frequent use of Catarrhal Medicines. The American people are fond of making a nation of dyspepsia by their artificial modes of life. Drastic Cathartics increase the irritability, and prostrate the strength of the digestive organs.

The Pills now offered are especially designed to allay this irritability, and at the same time to invigorate a drowsy and languid system.
